THE PEACE SONG ©2003 Zoey Lynne

Dedicated to the memory of my late aunt, Roberta.
She lost her battle with breast cancer on Friday morning, March 8th, 2002
She was a deeply religious human being who cared about the well being of all
those around her. She was a gentle soul. May she be at Peace.

This song was purposefully written with no words. The concept of Peace, I
believe, is beyond words. It is my hope that this song will resonate with many
around this world, regardless of their language, culture or religion,
and fill all hearts with Peace.

With love to this world and all who inhabit it,
Zoey
