

Blue Fire

By Zoey Lynne

Here I go... all over again,
My heart's on-fire!
I dream this dream... I've dreamt before,
My one desire!

Hold on tight, and don't, don't you let me go...
Let our souls ignite, like fire indigo.

You know I'm scared... to let you inside,
My fragile world.
But, this time... my fear, isn't enough,
To drown my pearl.

Hold on tight, and don't, don't you let me go...
Let our souls ignite, like fire indigo.

Chorus

Blue Fire... I require Blue Fire.
Blue Fire... My desire is Blue Fire.
