SONG OF SERENGETI
©2004 Zoey Lynne and Diana Lynne

Serengeti,
Sing the song that's closest to my heart.

Serengeti,
Hear the song that lives within my soul.

Serengeti,
The only song at home inside my heart.

Serengeti,
The song that stirs a passion in my soul.

Serengeti,
It's simple beauty rings true in my heart.

Serengeti,
The only place on Earth to free my soul.

Chorus

See it - hand in hand
Feel it - heart to heart

Hear it - sing the song
Know it - from within
