FUCHSIA
©1994 Zoey Lynne

A thought came to me in a whisper.
My fears went the way of the wind.
Suddenly, I found the courage to dream.

A flower of crimson,
As lovely as the dawn...

FUCHSIA - Breath of life.
FUCHSIA

The rustle of leaves brought the answer,
That was hidden beneath all my doubts.
It's been here all along, deep inside me. Now it's free.

A flower of crimson,
As lovely as the dawn...

FUCHSIA - Breath of life.
FUCHSIA

A delicate blossom brings comfort,
The words of no other will do.
Gently soothing my body and my soul.

A flower of crimson,
As haunting as the moon...

FUCHSIA - Breath of life.
