THE PHOENIX

© 1988 Zoey Lynne

I want to fly, like a little bird on a wing.
Higher than high, like a little bird I will sing...

Never to die, cheat the death that cometh so clever.
Bird of the Nile, like The Phoenix, live forever...

Live to become, ancient as the sands of the pyramids.
Legends be sung, like the Odyssey and the Iliad...

I'll be alive, longer than the oceans and rivers.
Bird of the Nile, like The Phoenix, live forever...

CHANT

Want to fly, higher than...
Live to be, ancient as...

I want to fly, like a little bird on a wing.
Higher than high, like a little bird I will sing...

I'll be alive, longer than the oceans and rivers.
Bird of the Nile, like The Phoenix, live forever...
