MOMENT IN TIME
©2002 Zoey Lynne

Our ship came in,
But we missed the boat.
We had one chance...
Now it's gone forever.

I cried my tears,
But it's over now.
I let you go...
And I won't look back.

Time has gone by,
And I see things clearly.
I know it was right.
But sometimes I wonder...

How things might have been,
Had we stayed together.
I loved you once...
But, I won't look back.

Our lives are a
Moment In time,
And the memories we share
Are all that remain.

You and I shared a
Moment In Time,
And that time left it's mark
On my soul.
