SOMEDAY SOON  
©1993 Zoey Lynne

Someday Soon, I'll be free...  
A shadow smiles at me.  
He takes my hand...  
And gently leads me home.

A kiss of sunlight.  
A taste of tears.

Someday Soon, I will find...  
The dreams I've left behind.  
The love I've known...  
Is waiting just beyond.

A kiss of sunlight.  
A taste of tears.

Someday Soon, I will know...  
Behold the seeds I sow.  
The bitter harvest,  
Is my sweet reward.

A kiss of sunlight.  
A taste of tears.
